Re: WGRE Director Application  
Date: March 25, 2025

WGRE is now accepting applications from those people who would like to serve on the WGRE Board of Directors for **Fall Semester, 2025**. The dedication of WGRE's directors is a key factor in our tradition of success. Please consider if you would like to take on a leadership role at DePauw's largest student organization.

We are accepting applications for the positions listed below. Read the description carefully and contact me (x4495) if you have any questions about a job or its duties. Students named to the Board of Directors will be compensated with a one-time stipend toward the middle of the semester. The exact salary will be determined based on budget allowances for next semester. The current salary is in parentheses in the job description.

The application deadline is **Monday, April 7, 2025 at 4 p.m.** Applications can be downloaded at [www.wgre.org](http://www.wgre.org) or picked up in the lobby of the radio station. Then, they can be brought to the PCCM Administrative Offices, or mailed/e-mailed to Jeff McCall at WGRE in the PCCM ([jeffmccall@depauw.edu](mailto:jeffmccall@depauw.edu)). Please provide a cover letter and the completed application form found below. The form can be filled out online and saved to email or printed out. Please indicate the position you are seeking and then proceed to make a case for yourself. Indicate your goals and objectives for the position and why you are the person to accomplish them. Feel free to attach a resume, writing samples, or other pertinent materials. Also, please indicate if you are willing to accept an alternative position. Your application should be complete and reflective.

Director applications will undergo an initial screening and finalists will be invited in for interviews with me and operations coordinator Chris Newton. Final decisions for the board are made by me and Chris Newton. Every position on the board is open for application each semester.

Thanks for your interest in WGRE.
